

## Big Creek Butterfly Checklist

Based on Big Creek Lepidoptera Survey, J.A. Powell, Essig Museum of Entomology, UC Berkeley. For a description of the **survey**, see Powell, J.A. *Big Creek Reserve Lepidoptera Survey: Recovery of Populations after the 1985 Rat Creek Fire in Views of a Coastal Wilderness: 20 Years of Research at Big Creek Reserve*. (copies available at the reserve).

Also based on: **Annual 4th of July Butterfly Count** data, on file at the reserve, or published annually by the North American Butterfly Association, 4 Delaware Road, Morristown NJ 07960
